How do you get an Intranet or Billboard Web site license?

A one-time payment of \$5,000.00 U.S. for each license agreement (limited to two servers at each licensed Web site). Or a single payment of \$7,500 U.S. for a license for both Billboard and Intranet. Copies of one or both of these license agreements may be obtained by contacting Unisys Corporation, Welch Licensing Department – M/S E8-114, Unisys Way, Blue Bell, Pennsylvania 19424, fax: 215-986-3090, e-mail:

LZW_INFO@unisys.com, or telephone: 215-986-5693.

Generally a bad move

1. The .PNG format (with animation!)
2. People stop using GIF
3. Eventually the patent expires in 2003
